

Gang Sheets

Gang Sheets vs Pieces

Our transfers can be ordered in individual pieces or gang sheets. Below are some visual examples of pieces vs gang sheets, along with the different kind of gang sheets you can order. Save money by putting multiple images on one sheet. Images need to be the same color and fit on an 11.25" x 14" sheet.

Pieces

PIECE = One application per transfer paper sheet.

Caps, hearts and visors can be ordered in individual pieces for easier application.

Pricing Note:

When ordering individual pieces, use the single image pricing on page 8 or 10.

Gang Sheets

GANG SHEET = Gang sheets have multiple "pieces" printed together on one sheet of transfer paper.

You need to cut the prints apart for separate applications.

Pricing Note:
If putting multiple images on your sheets, use Gang Sheet pricing on page 8 or 10.
*CAD-PRINTZ™ are not available in gang sheets.

VS.

"All same image" gang sheets include multiples of 1 exact image; size can change but otherwise prints are identical.
