## Archiving Your Logo™ & Your Mascot™

### Use your mascot or logo in Easy Prints® Designs

If you will use a unique logo or mascot as part of an Easy Prints® layout for your customer more than one time, the archive program is for you. While placing your Easy Prints® Plus order, ask your Dealer Services Representative to archive the logo. This can be done for \$15.00 at the time of the order and then you can use the logo as clip art in any future Easy Prints® designs. A great program to build customer loyalty!
